

Farmers Managing for Soil Health and High Inputs

Tuesday, February 15th
Northwoods Brew Pub Osseo, WI

9:00 am - 3:00 pm

LUNCH INCLUDED

RSVP Today!

Featuring:

Ray Archuleta: Ray is a renowned soil scientist who has been in inspiration to farmers across America. After 30 years of working with farmers, Ray has retired to his home farm in Missouri to teach and learn about biomimicry.

Local Farmer Panel: A panel of local farmers who are incorporating soil health practices into their farms will discuss their management strategies and answer questions from you, their neighbors. Panelists include Brian Malizewski, Karl Geske, and Nate Kling.

Thank you sponsors:
