

2021 Membership

Mission Statement: Producer driven education, outreach, and adoption utilizing information exchange to promote the principles of soil health practices.

Vision: Producer driven support to encourage voluntary adoption of soil health principles today and for the future.

Values: Communicate relevant soil health information consistently in a practical manner by providing information ex-change, compiling, and sharing information. Provide ongoing education and outreach to assist in the improvement of water, soil, and air quality for the state. Support visual and quantifiable cropland landscape change by promoting improved re-source base (regenerative/sustainable). Producer driven focus on information sharing, education, and networking to build and strengthen soil health practice application in Minnesota.

What is included in your annual membership:

- Attend meetings and field days for free
- Access to the mentor network
- Access to the specialist list
- Access to the Healthy Soils forum
- Receive our quarterly newsletter
- Receive information on events in the state
- Be a part of the community of networking and the source of change in how we manage our soils
